AUGUST 2008

ADDING VALUE TO OUR CUSTOMERS BUSINESSES

Agg-Tech Machinery would like to wish our valued customers the best over this winter 2008 period, and to offer you our complete attention and assistance as the productive season approaches.

For all sales enquiries phone Rod, Colin, or Garry on 5021.2722

TOP 5 DEALER AWARD

Agg-Tech machinery have been awarded a Goldacres "Top-5 Dealer" award at the recent 2007/08 Goldacres award night in Ballarat.

JOHN BOWEN USING HIS NEW GOLDACRES SPRAYER

John Bowen, of Werrimull, has taken delivery of a Goldacres Prairie EF6500 trailing sprayer. This sprayer sports many advanced features, including the latest Direct Chemical Injection (DCI) technology. The almost identical, GoldAcres Prairie Advance, was awarded 'Machine of the Year' at last year's Elmore Field Days.

FEATURE WEBSITE OF THE MONTH

If you have internet access, the Australian Bureau of Agriculture and Resource Economics (ABARE) website always posts some interesting, and recent, reading:

"Mildura-Wentworth: a case study of horticultural farm performance" covers the current market conditions for viticulture and citrus; a regional profile of producers; and farm performance results.

www.abareconomics.com/publications.html/crops/crops_07/Mildura_wentworth.pdf

A regular source of broad acre information, the "Australian crop report No.146", was released in June.

YANMAR TRACTORS - NEW ADDITION TO OUR STOCK

Agg-Tech have recently been chosen to be the Sunraysia distributor of the popular and reliable Yanmar range of tractors. At the recent Australian launch of the Japanese manufactured Yanmar Tractors at Creswick, outside Ballarat, the General Manager of Yanmar Australia, Greg Clark, described the range as being "renowned for stringent quality control and exciting R&D advances", and "Yanmar have produced top quality agricultural machinery for almost half a century".

Feel free to visit Agg-Tech to inspect our Yanmar display stock, or call our sales staff to organise a demo.
