AGG-TECH INTERNET SITE

A copy of this and all previous newsletters is available on our website. See us at www.aggtech.com.au

YANMAR TRACTORS - CONTINUED STRONG DEMAND

Yanmars range of tractors continues to create lots of interest. Their first appearance at an Australian Field Day was at the recent Primex Field Days in Casino (NSW), where they were extremely well received.

Agg-Tech recently became the Sunraysia distributor of the Yanmar range of tractors.

Feel free to visit Agg-Tech to inspect our Yanmar display stock, or call our sales staff to organise a demo.

WEBSITE OF THE MONTH

The Bureau of Meteorology web site www.bom.gov.au is excellent for keeping up with the weather. Especially its 'radar' tab.

Also try www.weatherzone.com.au/radar.jsp

AGCO MASTER DEALER

Agg-Tech machinery belong to the AGCO Master Dealer Program which encourages, and recognizes, high standards of professionalism in machinery dealerships.

AUGUST WAS A BIG MONTH FOR FIELD DAYS

August was a big month for field days. Again, the Mallee Machinery Field Days, at Speed, were a success. The massive AgQuip, at Gunnedah NSW, again gathered large crowds for their 36th time, and this years Sheepvention, at Hamilton, was widely hailed as a success.

Mark the Riverland Field Days, at Baramba SA, in your diary. They're on the 17th & 18th September.

DSM TOOLBOXES AVAILABLE

We still have on stock a large range of the extremely popular DSM toolboxes. They are robust, superbly manufactured, lockable and waterproof. A wide variety available. Call Vaughan or Paul on 5021.2722.

TCM FORKLIFT RANGE - INCL BATTERY-ELECTRIC MODELS

Contact our sales staff to learn more about our range of TCM Forklifts. Battery-Electric models are available for use under cover and in packing sheds.
