

AGG-TECH MACHINERY NEWSLETTER

FEBRUARY 2008

HAPPY NEW YEAR!

Agg-Tech Machinery would like to take this opportunity to wish all of our customers a safe and happy 2008. Grape growers may already be harvesting and we hope for all of our sakes that we get the right amount of rain this year for all growers. This newsletter contains some new and used machinery specials as well as introducing our new Service Manager Wes Ayson! Wes is currently re-structuring the service department to improve our level of service and to provide you with even more support than in the past! He can be contacted on 5021.2722 or 0427.212.703.

For all sales enquiries phone Rod, Colin, or Garry on 5021.2722

WHAT'S HAPPENING IN SERVICE DEPARTMENT?

We have a new Service Manager in Wes Ayson who was formally employed as one of the Senior Mechanics in the dealership. Wes is a can-do person with a helpful friendly nature. Give him a call for all your Service needs!

INTERNET SITE

A copy of this and all previous newsletters is available on our website. See us at www.aggtech.com.au

WHAT'S NEW IN PARTS?

Busy as usual in Parts with both Vaughan and Paul flat out helping people with their parts needs prior and during the grape harvest. Don't forget the back of this flyer has some great parts specials on it! Don't forget we also stock Vinestar harvester parts now as well. For more details contact Vaughan or Paul on 5021.2722

WES'S TECHNICAL TIPS

Summer is here!

Our new Service Manager Wes suggests that you check your cooling system components for general condition as soon as possible. Squeeze hoses and belts to check for small cracks, and look for any obvious corrosion on alloy components too. And of course keep the system topped up with good quality coolant (not just water). All of these could potentially cost 000's in unnecessary repairs!!

FORKLIFT UPDATE

In case you missed it, Agg-Tech has been appointed as the TCM Forklift dealer for the Sunraysia region. We have several demos in stock and we can offer you good deals on either purchase or rental of these units. Fully maintained rentals are also a specialty! Contact Garry for details on 0427.246.482

MINI DIGGERS

The complete range of Toro Mini Diggers is also available at Agg-Tech Machinery. These units are very versatile and easy to use, priced from only \$15,800 plus GST for the base unit.
