

AGG-TECH MACHINERY NEWSLETTER

DECEMBER 2006

CHRISTMAS IS HERE AGAIN!

Agg-Tech Machinery is drastically overstocked on used machinery and we will consider any serious offer that is made on any used stock prior to Christmas. With strong new tractor and machinery sales during 2006, we now have an excess of used stock says Rod, so they all have to go!! We have devoted more of the available space in this newsletter to showing you more used stock available, but there is plenty more so phone today, you may be surprised at the deal!!!

For all enquiries phone Rod or Colin on 5021.2722

WHAT'S HAPPENING IN SERVICE DEPARTMENT?

Every one is busy preparing for harvest and Service are busy helping everyone prepare. If you require any work to be done, please provide us as much notice as possible so we can try and have things ready when you need them.

TREV'S TECHNICAL TIPS

Summer is here!

Trevor, our Workshop foreman suggests that you check your cooling system components for general condition before Summer really takes hold. Squeeze hoses and belts to check for small cracks, and look for any obvious corrosion on alloy components too. And of course keep the system topped up with good quality coolant (not just water). All of these could potentially cost 000's in un-necessary repairs!!

FORKLIFT UPDATE

In case you missed it, Agg-Tech has been appointed as the TCM Forklift dealer for the Sunraysia region. We have several demos in stock and we can offer you good deals on either purchase or rental of these units. Contact Rod for details on 0427.868.398
